The pressurized irrigation system will be shut off the end of *September*.

Don't forget to winterize your sprinkling system.

Winter will be here soon, so get your fall leaves cleaned up before they end up in the storm drain. Please do not leave piles of construction or landscaping materials in the road. They create a tremendous traffic problem for snowplows.

New Pressurized Irrigation Customer Portal Now Available

The customer portal is now available to Payson City residents. If you have a PI meter installed, you can login to the customer portal to track your usage and set up usage alerts. This will help calculate what your bill next year will be. For instructions on how to login, go to our website at paysonutah.org. For questions, call 801-465-5200.
