2011 I-15 CORE Project

In just a year, the I-15 corridor Expansion (I-15 CORE) has gone from concept designs to full-scale construction on all 24 miles of the project. Since April 2010, crews have placed more than 4 million tons of fill, laid 20 miles of drainage pipe, placed 300,000 square yards of concrete roadway and put in 1.5 million hours of work. This year will be even busier, with work focusing on three main areas: **Concrete Paving** - As more concrete roadway is constructed, traffic will be moved to the newly built lanes, resulting in major traffic shifts on I-15; **Interchange Work** - All 10 interchanges will be under construction in 2011, with closures affecting the Orem 1600 North, 800 North and Center Street interchanges, as well as American Fork 500 East and Provo Center Street and ramps at the U.S. 6/Spanish Fork Main Street interchange; **Bridge Construction** - Crews plan to complete three bridge moves in Pleasant Grove, Lindon and Provo and continue work on more than 50 other bridges throughout the project. Stay updated on construction work, closures and detours by signing up for weekly e-mail updates at udot.utah.gov/i15core. Follow the project on Facebook or Twitter and sign up for weekly updates by texting "i15" to 53535.

Now Accepting Applications for Planning Commissioners

Payson City is now accepting applications for those interested in serving on the Planning Commission. The City Council is seeking residents of Payson City over the age of 18 who have an interest in guiding the future growth of the community. Three (3) positions are available for reappointment of an existing commissioner or appointment of a new commissioner. Each Planning Commissioner serves a four (4) year term and commissioners may re-apply for additional terms. An application may be obtained from the Development Services Department. All applications must be submitted to the Payson City Recorder and will be accepted February 14 through March 17, 2011 by 6:00 p.m. This is a great opportunity to get involved in the community and assist the City Council in achieving the land use goals of Payson City.

Utility Bill payments are due on **February 28th** (bills are always due the last business day of the month).

If you haven't yet paid your past due bill, please take care of it by Thursday **February 24th** to avoid shut off and an additional service fee. Payments made by 6 pm will be credited on the current business day.

Mayor Rick Moore and the members of the City Council - Brad Daley, JoLynn Ford, Kim Hancock, Mike Hardy, and Scott Phillips, would like to know your comments or concerns. Please use the space below to write to them and include it with your utility payment.
