It is unlawful for any person to remove any snow or ice from any private property and place it on any public street, sidewalk, drive, or right-of-way. The Street Department Superintendent may issue a written permit to any person to move or pile snow or ice on a public street or right-of-way if the Superintendent determines it to be in the best interest of the City and residents of the area to do so (*this does not apply to the removal of snow from sidewalks fronting private property which the owner or occupant has the duty to clean, nor to access driveways from a public street to private property*).
