Snow Removal

In order for the snow plows to clear the roads, no parking is allowed on city streets between 10:30 p.m. and 7:00 a.m. from December 1st through March 1st. This policy is referenced as City Ordinance 9.07.010. Violation of this ordinance is an infraction and each day the violation occurs is considered a separate offense.

Snow removal for Payson City streets is completed in the following order:

1. Main arterial and collector roads.
2. Arterial and collector roads leading to or from school zones.
3. Secondary and residential streets.
4. Cul de sacs and roads with no outlets.

It is unlawful for any person to remove snow or ice from private property and place it on any public street, drive, or right-of-way. The Street Department Superintendent may issue a written permit to any person to move or pile snow or ice on a public street or right-of-way if the superintendent determines it to be in the best interest of the City and residents of the area to do so. *Note: This does not apply to the removal of snow from sidewalks fronting private property which the owner or occupant has the duty to clean, nor to access driveways from a public street to private property.*
