Proclamation

WATER RESTRICTIONS IMPOSED for the remainder of Irrigation Season

WHEREAS, The Payson City Council is authorized to protect and provide for the public health, safety and general welfare of its citizens; and

WHEREAS, the City is experiencing extreme drought conditions with our pressurized irrigation system; and

WHEREAS, the Payson Lakes reservoirs are at critical low levels and are not sufficient to sustain the Pressurized Irrigation System through the irrigation season; and

WHEREAS, section 10.5 of the Payson City Ordinance authorizes and empowers the Mayor during times of emergency to issue an order restricting the use of water; and

NOW, THEREFORE, I, Richard D. Moore, Mayor of the City of Payson, do hereby declare that effective August 12, 2013, and continuing until the end of the irrigation season (September 30, 2013), the Citizens of Payson shall restrict watering with the Pressurized Irrigation system to twice each week as follows:

All water users with odd numbered addresses shall water only on Tuesday and Saturday.

All water users with even numbered addresses shall water only on Monday and Friday.

There shall be **NO** watering on Wednesday, Thursday and Sunday.

Watering times are from 6:00 p.m. to 10:00 a.m. Restrict watering times to 20 minutes or less per station or area.

Large water users, Churches, Schools and City parks will water during the day so that the residents will have sufficient pressure to water their properties.

City employees will be enforcing the water restrictions first with a warning and then with a citation. The first citation shall be considered an infraction with a recommended fine of \$25. The second and subsequent citation shall be considered a Class C Misdemeanor and shall require a mandatory court appearance in the Payson Justice Court and may result in a fine up to \$750.00 and/or incarceration up to ninety (90) days.

Cross-connecting culinary water with pressurized irrigation water is illegal and can contaminate drinking water.
