## Take Pride In Our Community

City-wide Cleanup  April 1st - April 30th 

The Payson City Council has proclaimed the month of April as "Take Price in Our Community" month and are encouraging residents to participate in this Payson Pride Campaign by organizing and completing community and neighborhood cleanup projects

The Payson City Landfill will be available at no charge during the month of April for clean-up projects within the city limits. Individuals participating in the city-wide cleanup must observe the following:

- ◆ Payson City will only accept discarded items that are collected from projects within the boundaries of Payson.
- ◆ Landfill fees will only be waived for Payson residents or organized groups with pre-authorization from Payson City. Be prepared to present proof of residence, such as a utility bill or photo ID.
- ◆ Organized groups must register with Payson City to receive landfill access. Please call (801) 465-5217 in advance.
- ◆ Loads must be properly secured and covered to prevent the disposal of litter and debris on public and private property to avoid penalties and fines.
- ◆ Hazardous waste, sealed containers of products, refrigerators, and any type of free liquid products will not be accepted.
- ◆ Landfill hours: Monday Through Friday 8:00 am to 5:00 pm. Saturday 8:00 am to 7:00 pm closed
- ◆ Sunday.

### Need Help Finding a Project?

To request an area to clean or to ask Payson City to help you identify a project, please contact Debbie Bushnell at 801-465-5217 or [debbieb@payson.org](mailto:debbieb@payson.org)

### Pressurized Irrigation Notice

The Pressurized Irrigation System will be energized on April 13, 2015. Please make sure that your sprinkling system is ready.

Due to the severe drought conditions in the City of Payson and pursuant to section 10.10.2 of the Payson City Ordinances, the water superintendent is imposing the following watering restrictions effective immediately:

All water users with odd numbered addresses shall water only on Tuesday, Thursday and Saturday.

All water users with even numbered addresses shall water only on Monday, Wednesday and Friday.

#### **There shall be NO watering on Sunday, as this allows the system to recover**

Watering times are from midnight to 10:00 a.m. and 6:00 p.m. to midnight. Restrict watering times to 20 minutes or less per station or area.

Large water users, Churches, Schools and City parks will water during the day so that the residents will have sufficient pressure to water their properties during the designated times.

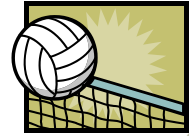

City employees will be enforcing the water restrictions with citations and or disconnection from the Pressurized Irrigation System.

Thank you for working with Payson City in this effort to prolong our irrigation water through the remainder of the watering season. Your cooperation is greatly appreciated.

**STORM WATER and OUR FUTURE**—The future of our community depends on the way we treat our environment. It is up to us as individuals to take control of what we can control when it comes to storm water problems. As long as we standby and accept less than what this community deserves we will never reach our potential. This city deserves better, the founders of this area deserve more than we are giving back. If everyone in this community would do just a little when it comes to raking their leaves and keeping debris out of the gutters and try not to depend on their neighbors or the city employees to keep their small area cleaned up we could make this community the prize of Utah County. These are just a few things we can do to make this city a better place. We can also work on washing our cars at the carwash or on our lawns, sweep our sidewalks and driveways instead of washing them with the hose. Be aware of the strength of the fertilizers we use and the amounts we put on our lawns so we can keep this from building up in our storm drain system and ending up in our rivers and lakes. We can reach these goals that we set for our community by just doing a little at a time and reaching out to those neighbors and friends who need help with their yards. If we all do a little then no one will have to do a lot and that's how we reach our potential. This world is too busy and hectic for a lot of us to take on too much at a time so we just need everyone to do what you can and build on this every year and we can climb this mountain together.

Thanks: Jesse Smith— Storm Water Division | 801-465-5231 | [jesses@payson.org](mailto:jesses@payson.org)

**Scout Troops Planning to Attend City Council Meeting** call Amanda Baker at 801-465-5209 in advance of the meeting.

**Paperless Billing:** Go Green! Go Paperless! Sign up with Payson City to have your monthly statement emailed to you. Please call 801-465-5200, press 0 and let us help you set it up. You will need an email address! Let's do our part to help the environment!
