PROCLAMATION

WATER RESTRICTIONS IMPOSED

May 6, 2015 for the remainder of Irrigation Season

WHEREAS, The Payson City Council is authorized to protect and provide for the public health, safety and general welfare of its citizens; and

WHEREAS, the City is experiencing extreme drought conditions with our pressurized irrigation system; and

WHEREAS, the Payson Lakes reservoirs are at critical low levels and are not sufficient to sustain the Pressurized Irrigation System through the irrigation season; and

WHEREAS, section 10.5 of the Payson City Ordinance authorizes and empowers the Mayor during times of emergency to issue an order restricting the use of water; and

NOW, THEREFORE, I, Richard D. Moore, Mayor of the City of Payson, do hereby declare that effective May 6, 2015, and continuing until the end of the irrigation season (September 30, 2015), the Citizens of Payson shall restrict watering with the Pressurized Irrigation system to twice each week as follows:

- ◆ All water users with odd numbered addresses shall water only on Tuesdays and Saturdays.
- ◆ All water users with even numbered addresses shall water only on Mondays and Fridays.
- ◆ Large water users, Churches, Schools, City Parks and larger agricultural users will water on Wednesdays and Sundays.

There shall be NO watering on Thursdays, as this allows the system to recover.

- ◆ Watering times are from midnight to 10:00 a.m. and 6:00 p.m. to midnight. It is recommended that pop-upsprinkler heads operate at 20 minutes or less and rotating sprinkler heads operate at 30 minutes or less.
- ◆ There shall be no hard-surface washing of driveways and parking lots.
- ◆ It is unlawful for any pressurized irrigation user to waste water by imperfect stop-taps, valves, leaky joints or pipes. Water shall not be wasted by allowing water to run from hose bibs, excessive watering, open pipes, or other apparatus, or to use the water in such a manner as to cause it to overflow into the neighboring yards, properties, streets or sidewalks.
- ◆ City employees will be enforcing the water restrictions first with a warning and then with a citation. The first citation shall be considered an infraction with a recommended fine of \$50. The second citation shall be considered a Class C Misdemeanor and shall require a mandatory court appearance in the Payson Justice Court and may result in a fine up to \$750.00 and/or incarceration up to ninety (90) days. The third citation shall be a class C misdemeanor and the City shall install a meter on the violator's pressurized irrigation system. The cost of the meter and installation shall be charged to the violator.
