Pressurized Irrigation Notice

The Pressurized Irrigation System has been energized. Please make sure that your sprinkling system is working properly. Pursuant to section 10.10.2 of the Payson City Ordinances, the City is imposing the following watering schedule:

- Water users with even numbered addresses shall water only on Monday, Wednesday and Friday.
- Water users with odd numbered addresses shall water only on Tuesday, Thursday and Saturday.

There shall be NO watering on Sunday, as this allows the system to recover.

Watering times are from midnight to 10:00 a.m. and 6:00 p.m. to midnight. Restrict watering times to 20 minutes or less per station or area. Large water users, Churches, Schools and City parks will water during the day so that the residents will have sufficient pressure to water their properties during the designated times.

Thank you for working with Payson City. Your cooperation is greatly appreciated.
