### HATS OFF, OR IN THIS CASE GLASSES OFF, TO THE HONEST CITIZENS OF PAYSON CITY.

Last Friday I volunteered to help serve at the salmon supper. Not realizing that I had forgotten to leave my sunglasses in my car I put them to the side of me as I worked in the salmon serving booth. When my work was done I headed home at about 9 o'clock and when I got to Provo I realized I had left my \$150 pair of sunglasses back at the park. Typically, I would never own such an expensive pair of sunglasses but I won them at a golf tournament. I turned around and went back to the park but they were gone. Monday morning I got a text from your city manager indicating that someone had turned in my lost sunglasses.

What a tribute to the Payson city staff, other volunteers, and young people that were working that event. One of you could've easily picked them up and walked off with them but you didn't and I thank you. What a refreshing thought to know that there are still honest people in the world and at least one of them, lives or works in Payson.

## Rank Choice Voting

Rank Choice Voting (RCV) will be used for the first time in Payson City for the General Election on November 5, 2019 to elect three city council members. RCV is a method of voting that allows voters to rank multiple candidates for the same office in order of preference.

RCV can only be used to elect the offices City Council. It is not used in elections for the school board, county, state or federal offices. RCV combines the primary and general election into one event in November.

Using the RCV, votes are tabulated to determine winners. In order to be declared the winner of a race, a candidate must reach a threshold of 50 percent plus one of the total votes cast for the office.

The city will post *additional* information about RCV and elections on social media *and the city's website*. Don't forget to follow the city on Facebook, Twitter, and Instagram.

**Ranked choice voting allows you to rank your candidates in order of preference.**
