Home Energy Assistance Target Program (HEAT)

The Utah Home Energy Assistance Target (HEAT) program **helps low-income households with their heating bills.** This program provides winter utility assistance to low-income households targeting those who are truly vulnerable—the lowest-income households with the highest heating costs and disabled elderly, and families with preschool-age children.

For an appointment call 801-229-3855

Utility Bill payments are due on **January 30th**(the last business day of the month). If you haven't yet paid your past due bill, please take care of it by **January 23rd** to avoid shut off and an additional service fee.

Payments made after 5:00 p.m. will be credited on the next business day.
