and South County Partners

United Way Worldwide has partnered with H&R Block to provide free access to their tax preparation software for anyone who makes less than \$66,000 a year. This partnership is called My Free Taxes, and can be accessed by going to myfreetaxes.com.

This free service is available online 24/7, and customer support is available to answer questions through email, phone, or live chat. By using this service to prepare their own taxes, community members can avoid the high cost of tax preparation fees during tax season.

The average cost of a basic tax return through a paid preparer can range from \$200-500, so free tax preparation services can be a significant benefit for working families in our community.

Utility Bill payments are due on **March 31st** (the last business day of the month). If you haven't yet paid your past due bill, please take care of it by **March 25th** to avoid shut off and an additional service fee.

Mayor Bill Wright and the members of the City Council - Doug Welton, Linda Carter, Brian Hulet, Taresa Hiatt and Brett Christensen, would like to know your comments or concerns. Please use the space below to write to them and include it with your utility Payment.
