Mayor Bill Wright
Payson City
439 West Utah Ave
Payson, Utah 84651

**Subject: Payson Wastewater Treatment Plant Upgrades
Authorization to Award Bid**

Dear Mayor Wright:

This will acknowledge receipt of bid documents and supporting information for our review and approval. This letter will constitute your authorization to award the construction contract to Alder Construction, the low responsive, responsible bidder.

The total amount of the Contract 6 is \$22,121,200.62 of which \$22,121,200.62 is eligible for State participation, up to the assistance amount. The total amount of the Contract 7 is \$45,000,000 of which \$45,000,000 is eligible for State participation, however no State assistance is directed to Contract 7.

Construction may now begin at your convenience. In accordance with 41 CFR 60-4.2(c), the contractor must provide written notification to that office within 10 working days of award of any construction subcontract in excess of \$10,000 for construction work under the contract resulting from this solicitation. The notification shall list the name, address and telephone number of the subcontractor, employer identification number of the subcontractor; estimated dollar amount; and the geographical area in which the subcontract is to be performed.

This information should be sent to:

Denver District Office
U.S. Department of Labor – OFCCP
1244 Speer Blvd., Suite 540
Denver, Colorado 80204
Phone: (720) 264-3200
Fax: (720) 264-3211

Please contact Andrew Pompeo of our staff at 385-320-1057 to coordinate the scheduling of the preconstruction conference.

The contractors must maintain adequate fire and extended coverage (where appropriate), workmen's compensation, public liability and property damage, and "all risk" builders risk insurance (including blasting where appropriate) during the construction phase of the contract.

Please furnish our office with one copy of the authorization to the contractor to begin construction, and one copy of the executed contract documents. Please include insurance certificates, and performance and payment bonds.

Sincerely,

Kenneth M. Hoffman, P.E.
Assistant Executive Secretary
Water Quality Board
