

SUBDIVISION PLAT AND PLAT AMENDMENTS REVIEW CHECK LIST

Project: ..... Date: .....

Subdivision Plat Review:

The intent of the subdivision plat review is to verify compliance with the current City ordinances, state regulations and federal laws before requesting the City Engineer’s signature.

Next Submittal (If needed): The applicant is responsible for the submittal of any pertinent reports and documentation that may help to verify the compliance with local, city, state and federal laws for the proposed development.

All the responses to the plan review comments must be done in writing and stamped, signed and dated by a Utah State Licensed Professional as required by the Utah State Division Of Professional Licensing (DOPL).

Please, submit the following reports, plans, and documents:

- Title report or A.L.T.A. survey
- A revised set of plans/ plat.
